

Genano® Tube XS

Wall-Mounted Air Purifier

Technical Information	Genano® Tube XS
Cleaning capacity	max. 330 m ³ /h
Particle removal	> 0.003 µm
Cleaning efficiency	98 %
Gas removal	Included: 60 g active carbon, 20 mm
Installation	Wall or ceiling
Cleaning	Changing of collector at least 2 times / year
Fan speed	6, with a control panel
Size (w x d x h mm)	∅ 200 mm, length 990 mm
Weight	7 kg
Construction	Painted steel
Sound level	27–56 L _{pA} (dBA)
Operating voltage	200–240 V, 50/60 Hz
Power consumption	30–90 W
Usage temperature	+5...+60 °C

A corridor installation where several Genano® Tube XS air purifiers are used together for optimal results.
